

THE ASHLYN DYER FOUNDATION

Raising the Awareness of Traumatic Brain Injury

On March 2, 2006, Ashlyn Dyer was the victim of a hit and run accident while running through the Presidio in San Francisco. Tragically, Ashlyn passed away 10 days later as a result of her severe Traumatic Brain Injury.

An avid marathoner, Ashlyn Dyer's drive and love of life inspired those close to her to found the Ashlyn Dyer Foundation.

Despite the widespread and devastating impact of Traumatic Brain Injury, research funds are limited and there are major issues with the availability and consistency of medical care.

The mission of the Ashlyn Dyer Foundation is to raise the level of awareness for Traumatic Brain Injury.

DID YOU KNOW?

- Every 21 seconds someone has a traumatic brain injury (TBI).
- Over 50,000 people die from TBI every year.
- At least 5.3 million Americans are living with disabilities from TBI.
- TBI costs an estimated 56.3 billion dollars per year.
- Most hospitals do not have adequate resources to treat TBI patients.
- Funding for TBI is very limited.

YOU CAN MAKE A DIFFERENCE

Most Americans are unaware of the devastating personal and financial impact of TBI. By supporting the Ashlyn Dyer Foundation, you can help raise the awareness of TBI, increase TBI funding, and improve access to TBI care.
